**FAMILY AND COMMUNITY SERVICES
LEGAL AND SAFETY ISSUES
GRADING RUBRIC**

Directions: Using information available online and resources in the library, find and print two articles or stories covering current legal issues and two articles covering current safety issues related to your selected career in the family and community/human services field. If you are unable to find issues in your selected career, locate and find issues in another field of family and community/human services. Attach articles to this handout. Be prepared to share articles and issues with the rest of the class.
